

## **Rural India Health Project (RIHP), Trust Hospital, Ammathi**

**(Website: [www.rihphospital.com](http://www.rihphospital.com))**

### **NEWSLETTER January-June 2024**

We are delighted to bring to you the latest edition of our hospital newsletter, to keep you informed about the recent happenings and developments at RIHP Hospital.

We take pride in offering a diverse range of healthcare services to cater to the needs of our community. Our services include providing cutting edge surgeries to specialized care in internal medicine, Orthopedics, Pediatrics, Obstetrics, Gynecology, Dermatology, Urology, Cardiology, Ophthalmology, ENT, and Dental. Our dedicated team of doctors & nurses ensure that the patients receive compassionate care and medical expertise. We also have diagnostic services like CT scan, Laboratory, USG, Endoscopy, Echo Cardiography, ECG Digital Xray & Pulmonary Function Test (PFT). We are committed in providing high quality care and ensuring that our patients receive the best possible treatments at affordable cost.

We offer round the clock emergency and Diagnostic services. Our dedicated emergency team is always ready to provide swift and effective care in times of need.

#### **LATEST ADDITION OF FACILITIES**

We are excited to announce several new additions to our hospital facilities. To keep pace with the operational requirements and sustained delivery of quality healthcare, we have added the following: -

- 1) Two ICU ventilators to handle critical patients requiring mechanical breathing support
- 2) PFT (Pulmonary Function Test) for comprehensive diagnosis of Respiratory disorders.
- 3) To address the Hospital Infection control protocol, a new Modern automatic Hospital Laundry is installed.
- 4) With the growing medical work and addition of equipment the consumption of electricity is also escalating hence we have installed a new transformer to ensure reliable

power.

5) The whole hospital floors have been newly tiled for better hygiene and aesthetics.

6) A Laparoscopic unit is now operational, offering range of services in the Laparoscopic & Endoscopic surgeries.

## **OUR TEAM & KEY STATISTICS**

- There are 14 specialist Doctors, (7 in-house) attending to patients regularly.
