

Rural India Health Project (RIHP), Trust Hospital, Ammathi
(Website: www.rihphospital.com)
NEWSLETTER (JULY - DECEMBER 2024)

We are delighted to bring to you the latest edition of our hospital newsletter, providing you with the developments at RIHP Hospital.

LATEST ADDITION OF FACILITIES

We are excited to announce the several new additions made to our hospital facilities. To keep pace with the operational requirements and sustained delivery of quality healthcare, we have added the following: -

- **A new physiotherapy unit** has been established and equipped. An experienced qualified Physiotherapist is on-boarded.
INJURY REHABILITATION, PAIN MANAGEMENT, POST SURGICAL RECOVERY, NEUROLOGICAL REHABILITATION, CARDIO-RESPIRATORY REHABILITATION, PAEDIATRIC PHYSIO AND GERIATRIC CARE are the main areas the services are delivered.
- A comprehensive **HIMS** (Hospital Information Management System) has been introduced to streamline Registration and admission thereby improving efficiency in patient turnaround time.
- **Pharmacy Operations are now managed by Tata 1mg**. Who have pan India presence have ventured in Kodagu for the first time. Tata 1 mg is a well-known Tata brand for quality and adhering to standard operating protocols. The presence of Tata 1 mg will help in securing quality medicine and other medical supplies at a competitive price. The pharmacy is open 24 x 7 for the benefit of public.
- **A central suction unit has been installed to support Intensive care.**
- All the **Twenty old cots** in General Wards are replaced with **FOWLER COTS** to improve patient comfort and recovery.

We take pride in offering a diverse range of healthcare services to cater to the needs of our community. Our services include providing cutting edge surgeries to specialized care in internal medicine, Orthopedics, Pediatrics, Obstetrics, Gynecology, Dermatology, Urology, Cardiology, Ophthalmology, ENT, and Dental care. Our dedicated team of doctors & nurses ensure that the patients receive compassionate care and medical expertise at a reasonable rate. We are continuously improving the diagnostic services like CT scan, Laboratory, USG, Endoscopy, Echo Cardiography, ECG Digital Xray & Pulmonary Function Test (PFT). We are committed in providing high quality care and ensuring that our patients receive the best possible treatments at affordable cost.

We offer round the clock emergency and Diagnostic services. Our dedicated emergency team is always ready to provide swift and effective care in times of need.
